

Daila Apartments were completely renovated in 2005. They offer all elements required for a comfortable family vacation, from the green garden, the barbecue to the bike shed.

Daila is an apartment resort in the namesake town not far from Novigrad. It consists of 4 houses (Ginestra, Magnolia, Lavanda and Oleandro), each with 2 two storey apartments. The houses provide own parking area and a large garden (400 m²) with a barbecue offering a possibility of an outdoor meal. The resort was renovated in 2005 and provided with all basic elements for a comfortable family vacation. Apartments are equally sized (46 m²), have a private entrance and can house 4 people.

There is one bedroom with a king size bed and a double one with bunk beds. All the apartments have air-conditioning units, a safe and a satellite TV. There is a kitchen with a dining table in each house, equipped with basic kitchen appliances and a two seater folding sofa that can turn into a one person bed. Bathrooms are practical with a shower cabin. The house is encircled by the greenery. As its surrounding area is bike friendly, you can enjoy cycling during your recreational holiday. There is a bike shed in some apartments. The sea is only 100 metres away from the Daila apartments, which makes them ideal for all those whose summer vacation primarily includes swimming and sea fun. Try native fish dishes in the restaurants located near the apartments. There is a shop as well, selling all necessary ingredients.
