

**Accommodation with a modern minimalistic design in the very centre of a charming Istrian town.
The perfect choice for a comfortable and active vacation!**

Al Porto Suites are situated in the very centre of Novigrad, 150 meters from the well-kept town beach, in a typical 19th-century tall house completely renovated in 2010, while the accommodation itself was renovated in 2019. Due to its excellent location, all services and facilities are within easy reach.

A bicycle storage room offers the opportunity for an active holiday, with the possibility of renting bikes and e-bikes.

Al Porto Suite (30 m²) is a modern and stylish studio apartment with a sleeping area, seating area, private bathroom and shower. With its carefully chosen designer and simple furniture, it offers comfortable and pleasant accommodation for couples, friends or solo travellers.

Breakfast is included in the room rate and is served at our Rivalmare Boutique Hotel, only 3 minutes walk away and with a beautiful sea view. For an even better experience, guests can also visit our Libeccio Restaurant & Bar and taste delicious meals and choose from a rich wine and drink card.
